*“Very practical advice in a challenging
healthcare environment.”*

—Roberta Capelson, ANP, *Joslin Diabetes Center, Boston*

June Fabre', MBA RN

Keynote Speaker, Trainer and Consultant

Audiences enjoy her positive, upbeat and humorous style. Through her unique approach, June works with organizations to achieve profitability, cooperation and respect.

Become an Employer that Nurses Choose

Our work focuses on a few basic concepts:

- Nurses are an important part of your investment in human resources
- Considering nurses as assets and treating them as valued professionals maximizes the return on your investment
- Creating a work environment where nurses can perform at their best enables you to attract and retain the best people

What Clients are Saying

“Your talk on “50 Ways to Use Nurses Smarter” was timely and immediately useful as we wrestle with how to use our scarce resources in the most effective manner.”

—Diane Mayes, RN, Staff Educator, Ambulatory Care,
James A. Haley Veterans Hospital, Tampa, FL

“It was good to listen to a nurse who has so much personal day to day experience.”

—Mary Flaherty, RN, *Annandale, VA*

“I would recommend June Fabre' as a speaker”

—Joan C. Borgatti, RN, MEd, Editorial Director,
New England, Nursing Spectrum

*“She teaches nurses to be part of the
Healthcare solution.”*

—Dennis P. McCullion, Publisher, *Healthcare Review*

“Her ability to capture the current atmosphere is engaging.”

—Scott Scolnick, Territory Manager, *Animas Corporation, Methuen, MA*

About June Fabre

June brings a fresh perspective to healthcare. She is experienced in many specialties such as psychiatry, med/surg, home care, managed care, ambulatory care, cardiology, and long term care. Before starting *Smart Healthcare LLC*, June worked in staff, management and education positions for over twenty-five years. She has firsthand knowledge of current healthcare challenges, but also knows that these challenges can be resolved with the right approach.

Most Popular Programs

Developing Outstanding Leaders

For every level of your organization:

- Learn how to identify and select individuals who best fit a leadership role, then provide the necessary training and mentor program that advances these individuals
- Participants will explore four key areas: character, issue analysis, creative problem-solving and relationships
- Transform how people work together so that they can focus all of their energy on improving your organization’s performance

Dealing with Difficult People

How to build personal and professional relationships, defuse tough situations, and negotiate practical solutions that adhere to overall goals and expected outcomes.

Balancing your Life with Humor

How to use humor to reduce stress, raise productivity, survive change, and create harmony within the organization.

Setting your Imagination Free

Gain powerful critical thinking tools. “The mind is like a parachute. It only works when it is open.” (Author unknown). Secure a competitive edge by using all of the intellectual capital within your organization.

The Smart Nursing System™

—A process of accountability that promotes patient safety, raises nurse satisfaction, and improves the performance of clinical nurses, managers, and organizations.

Empowering Nurses to Increase your Organization’s Success

- How to champion nurses who want to work smarter instead of harder
- Why many nurses are under-utilized
- How to transform healthcare problems into opportunities

Implementing Shared Governance

- Why ‘coached’ employees outperform ‘managed’ employees
- How you can be a catalyst for positive change
- Why a freedom-based workplace unlocks employee potential

Building High Performance Teams

- How to make full use of the diversity within your organization
- Why high performance teams raise productivity without burnout
- How to use synergy to leverage your human resource investment

Let us design a customized program to meet your organization’s needs.

“Excellent sharing of various principles that lead to success.”

—Paul Lamberto, Team Leader, *VA Medical Center, Manchester, NH*
